19th OCTOBER 2025.

Dear Huntley school,

It has been long since we last communicated with you. I hope that almighty God has protected you all along. I am also doing fine here in Knima but the term was very busy especially for our class. This is because we have been doing exams since we opened until the very last week.

I am very glad that next year, I will be in form four God willing. We had no activities concerning games since the term was very short. The only activity that we celebrated was our form four prayer day. It was a great day of dedicating our candidates to God as they are preparing for their National examination.

We will go for a two-month holiday with a lot of assignments from the teachers. This will keep me busy over the holiday apart from helping my parents. I wish you a Merry Christmas and a happy new year next year. I am looking forward to your kind response and also seeing some of your photos. I really appreciate you for your support that you have given me.

Your sponsored student,
Margaret J. Tatich.
