NYAHURURU.

29th MARCH, 2026,

Dear Huntley primary,

I have received your letter and I am very grateful for it. I thank you for making the time to write to me. I hope that you are doing well there.

I also thank the almighty for the far he has taken us. My holiday was good. This is because we were able to meet as a family during Christmas celebration. I was able to complete my assignment early and I had more time to help my parents. This is one of the questions you had posted. I used most of my time during the holiday helping my parents.

I am looking forward to achieving a good grade in my final examination this year. My favourite lesson at school is Agriculture. This is because we engage in many activities out of class everyday. The most interesting part is our project for our national examination. We chose chicken enterprise and we have already started doing our construction of the cage structure.

I have enjoyed this term because we had our trip as Form Four to Thika specifically Delmonte Farm and to Nairobi National Museum.

We also had the alumni day and we really enjoyed it. I have seen your favourite photos during Christmas celebrations. They are very lovely! Good holiday as you break from school.

I am always grateful for your support here in school. May God bless you forever and I am looking forward to hearing from you soon. Bye!

From your sponsored student,
Margaret Jepegon Tatch.
