It's been another great year at the PTFA. Thank you to everyone who has supported us, be that manning a stall, buying a raffle ticket or baking a cake.

- We welcome our new chair, Stef, taking over from Heidi.
- The very generous donation from Gardners Garage has helped school to purchase the new playground equipment which the children love.
- Thanks to many kind donations, Founders Day made a record profit of ...drum roll...£2,531.74.
- Across the year your money has also paid for many activities and projects that the school wouldn't otherwise have been able to fund; music tuition, trip subsidies, new planters, first aid training for the children, the re-painting of the school entrance, sessions at the Music Works.
- Lots of exciting projects are already in the pipeline for the coming year.
