

HUNTLEY NEWS December 2024

Our School Vision

Nurtured individuals, learning together with God's love, living life to the full.

Christmas Activities

Viney Hill Trip

Classes River and Stream enjoyed an adventure filled day at Viney Hill outdoor adventure centre. The children took part in a range of activities. The older children even tackled the climbing wall. Here is what the children in Class River had to say.

A lot of the year threes enjoyed jumping off the climbing wall

Matthew enjoyed being a sheep. He explained that he had to be blindfolded and they followed a trail to find Jesus in a manger.

Amelia, Henry said I enjoyed pretending to be shepherd and doing some courses.

Isaac, Jessica, Jacob and Monty all loved building the dens in the forest.

Harlow and Charlotte enjoyed meeting at the stable for baby Jesus to be born

Arlie enjoyed the bowling game where they had to get the ball in the bucket and Eirwen and Jude enjoyed following the star.

Carol singing

A huge thankyou to all the children who sang at Huntley Village Hall and May Hill Christmas Market. The May Hill committee have made a very generous donation of £250 to the school following this. Thank you very much!

Wreath making at the Laurels care home

Some of the children in year six spent an afternoon making Christmas wreathes with the residents. They had great fun making ribbon wreathes for the residents to hang on their room doors. They also enjoyed some treats afterwards!!

Decorated Christmas Tree competition

Thank you to Mrs Rebbeck and other Christmas market organisers who put in place the decorated tree competition – it was lovely to see so many entries. I know Mrs Christmas had a hard time judging them. They are all now on display in the church. The winners were: Reception Albert, Year One -Guy Year Two- Harlow Year Three- Harley, Year Four – Henry Year five- Ida Year six – Darcey Well done to everyone who took part!

Carol singing at the Laurels

Just before we broke up for Christmas, the children in year six went to the Laurels and shared our Christmas play songs. We also sang some carols for every to join in with. We had a lovely afternoon and look forward to visiting again soon.

Santa's dash

The whole school had great fun doing 'Santa's Dash' again this year. The Christmas music was blasting out and we all joined in with lots of dancing, running, conga lines and games. Everyone looked great in their festive jumpers, tinsel etc! Last year, over 94,000 young people took part across the UK and schools were looking to break that record this year!

As in previous years, it was all about having a bit of fun while being active. The emphasis being about physical activity for all while spreading some Christmas cheer!

Church Carol Service

Thank you so much to Cecelia for volunteering to do a reading during the Church carol service. She read beautifully and was clear and confident. Well done to Rupert too for supporting his sister to do a reading as well.

Christingle

It was lovely to see such a full church for our Christingle service. Thank you to the year sixes for the parts they played and to Mr Bob Harris who took the service for us. It's always a magical end to the school term

Party Day

We all had a lovely party day with everyone looking very festive in their Christmas jumpers and party clothes. After our Christmas lunch we had a special visitor delivering gifts for all the children.

We also made our Christingles – with Class Stream and Ocean working as a team!. Thank you to the PTFA for once again, sorting the oranges for us.

Our Christmas Play

I am sure you will all agree that the children were amazing this year – such a great performance! It will be available very soon via a secure YouTube link.

A huge thank you to the staff who brought this together in such a short time. In particular, Mrs Andrews who spends hours writing/editing the script to make sure all the children have parts/ lines etc.
